

## **Koi Jao Rey**

### **(Where are you going)**

Koi jao rey  
Padmar dheu amar kotha loiyya jao rey  
Andhar raitey maajh doriyayey baiteyasi nao rey  
Heyya ho.

Ami ghor phalaiya ailam choilla  
Chhaira ailam kul  
Monta amar thuiya ailam  
Kon poraner kul rey.

### **Translation (by Khiyo)**

Where are you going  
The waves of the Padma, take my words with you  
In the dark night, in the middle of the river, I am plying my boat  
Heyya ho.

I left my home behind and came this far  
I left the bank behind  
Who knows where I have left my heart.
