

Amaro Deshero
(My Homeland)

Amaro deshero matiro gondhe
Bhorey achhe shara mon
Shyamolo komolo porosho chhara jey
Nei kichhu proyojon.

Praney praney jyano tai
Taari shur shudhu pai
Digonto jurey shona rong chhobi
Kheley jai sharakhon.

Batashe amar shobuj shopno dulchhe
Konthey konthey taari dhoni shudhu tulchhe

Ganey ganey aaj tai
Ei kotha boley jai
Notun asha enechhe jiboney
Shurjer ey logon.

Translation (by Khiyo)

The smell of the earth of my homeland
Fulfills my whole heart
Other than her green, gentle touch
I need nothing else.

And so, in my heart
May I have only her song

Across the horizon, a golden coloured picture
I play with constantly.

My green dream sways in the breeze
In my voice, brings forth its sound

And so, today, in song
This is what I say
A new hope has brought to my life
This time of sunshine.
